Report:-

Pursuant to the resolution of the Working Committee on 24th November 2008, Loo Kai Nan and Wong Cheai Nie visited the Applicant at his home.

During the visit, the Applicant's wife and their two children together with the Applicant's niece and a family friend were present. The particulars of the Applicant's wife and children are as per the application form submitted by the Applicant.

The Applicant has been suffering from Parkinson's Disease for the last 12 years. The Applicant seems to be in high spirit and informed us he is happy with the effect of the medication provided by his doctor but is looking forward to the operation as he relies solely on the medication which are very expensive. The Working Committee explained briefly the procedure which the Applicant requires (ie interview by independent doctors) to go through before the date for the operation is set. The Working Committee also explained the origins of the Trust Fund and that the Applicant is the Fund's first short-listed applicant.

Subject to the eligibility of the Applicant from the medical aspect, the Working Committee is satisfied that the Applicant meets the eligibility criteria.
